

GAME READY™

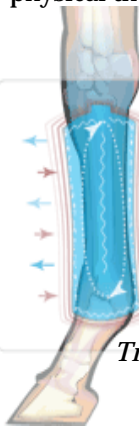

Professional Kit Offered By Birchtown

Injury Prevention ~ Relieves Pain ~ Reduces Swelling and Heat ~ Tightens Legs

Game Ready® Equine is the secret weapon of top riders and veterinarians for preventing injury in their horses and speeding recovery from a multitude of ailments. The Game Ready

System is used for post-workout therapy, chronic lameness, acute lameness, cellulitis, tendonitis, pre- and post-operative care, bowed tendons, stocked-up legs, wind puffs, and more. Delivering dry cold and active compression, Game Ready Equine utilizes the same physical therapy and athletic training principles relied on by human athletes, calling for the use of **RICE** (**R**est, **I**ce, **C**ompression, **E**levation).
