"It's not what you have, it's what you do."

We're more than just a pretty building, we treat our couples and their family, like family.
We work hard to make your day as stress-free and memorable, so you can relax
with your family and friends. Leave the details to us!

We understand the cost of weddings and how expensive it can be for couples.

We keep our pricing reasonable. We offer onsite catering, staff, full coordination, decorations,
floral decor, linens, seating charts, custom signs, and a lot more!

We only offer 1 wedding a week - NO rushing in or out or pay extra for added days.
We're the venue were couples don't have
to "Do it all yourself, or pay hundreds for coordination and decorations"
